MEDICARE OPEN ENROLLMENT TIME HERE AGAIN

For those of us already on Medicare, the time to pick next year's Medicare Prescription drug or Medicare Advantage plan began on Oct. 15 and will close on Dec. 7. The Lebanon County Area Agency on Aging offers individual appointments to help people with their unique medical insurance needs. For an appointment please call 717-273-9262.

Remember, these plans change every year; and sometimes our needs also change. This is why it pays to review your choices every year even if you're happy with what you have. There might be a better choice for you for next year. If you prefer to do it yourself, the plan finder tool on the Medicare.gov website is a great resource for this. Just remember, the volunteers at the Agency and on the Medicare website will give you unbiased information on ALL the plans available, not just on the 2 or 3 offered by any single company.

For those who will soon be going on Medicare, I urge you to make an appointment before you make your choice. The options are confusing, the sales pitches are enticing, and the initial choices can have lifelong impacts. You only get one "INITIAL ENROLLMENT PERIOD" when you cannot be turned down by any plan. Remember, this is just the start of the next phase of your life. You need to plan for the future as well as today. Appointments for people new to Medicare can be made any time of the year in which you become eligible for Medicare. The phone is the same, 717-273-9262.

Any questions, call Jack Monahan 717-866-7508.

A large circular logo for Martin Companies is centered over a background image of a kitchen. The logo contains the text "WATER | APPLIANCE | FURNITURE" around the top edge, "ESTD. 1973" in the middle, and "MARTIN COMPANIES" in large letters below. Joy has SOLD 60+ Homes in *Hometown Arbor Gate*

MY STORY I have spent the past 20+ years listing and selling real estate in Lebanon County. In recent years I have focused on working with buyers and sellers in Lebanon Counties beautiful 55+ communities. But it wasn't until my own parents built a home in one of these communities in 2019 that my eyes were open to the full beauty of these 55+ communities! They have loved the simplicity of their new home, but more than that they have developed deep rooted friendship with the neighbors all around them. Mom sings in the choir, dad golfs with the neighbor men, they walk countless miles each week around their neighborhood, & they enjoy hosting dinners and potlucks. As their daughter, I have had a front row seat witnessing how their 55+ community has truly changed their lives. This year they celebrate their 50th wedding anniversary! I have great comfort knowing they are living their best life surrounded by many friends. **This is why I love selling in Lebanon Counties 55+ Communities.** I want more people to have the opportunity to experience the same life my parents are experiencing. Please call me anytime, and request a FREE Comparative Market Analysis. Put my many years of experience to work for you! When we meet, I will provide you with a copy of my SERVICES & MARKETING booklet, and will share the marketing services I offer that set me apart from the average Realtor. Lets chat!
