Lunch will be next at the Pier Restaurant located in historic Solomon's Island. **Please mark your lunch choice on the registration form.** Following lunch, we will drive to Leonardtown, MD for a tour of the Old Jail Museum which was built in 1876 and used until 1945. THE LAKEVIEW CENTER RESIDENT COMMITTEE NOMINATIONS

The Lakeview Center Resident Committee provides for the efficient administration of social functions for the Arbor Gate community. We have a very active community, and the Resident Committee is a vital part of keeping programs and activities coordinated, running smoothly and communicating to residents. A full Committee (7 members) is necessary to carry out this purpose efficiently. While there are some functions that may require some specific knowledge, the main requirement is that Committee Members have a heart for the community and its residents and are willing to help. The Committee has been and will continue to be a very collaborative group that supports each other. We function as a team to help make Arbor Gate a community with something for everyone.

There will be a need to fill three vacancies on the Resident Committee for a three-year term starting in January, 2025. If you are willing or know someone who would be willing to serve, or if you just want to know more about serving on the Committee, please contact us for more information.

NOTES FROM MARILYN: SEPTEMBER 2024

1. Please do not remove the hand weights from the gym. Many residents use the hand weights; and if you take them home, they are not available in the gym for other residents to use.
2. If you see plastic bags loose on the property, please pick them up. In the past, the plastic bags have ended up blowing into the creek that leads to the lake and have gotten stuck on creek branches — all leading to clogging in the creek. Concerning is the fact that some residents' downspouts are underground; and the water from the clogged creek can end up flooding their basements.
3. If the yard waste dumpster is full when you arrive at the dumpster, please put your yard waste behind the dumpster. Butch will put your waste in the dumpster.
4. Once again, we need help from the community with trapping feral cats. Brian Kimmey is leading the volunteers in this endeavor. Please contact Brian at 732-668-3639 if you are interested in helping, donating, or transporting, etc.
5. If you have feral cats in or near your property that do not have a clipped ear, please let Brian Kimmey (732-668-3639) or me know.

- Do not take finished puzzles apart.
- May put up fencing at the sides of your homes to hide trash cans outside of garage, after approval from Hometown.
- Eleanor Quinn is not in charge of the feral cat trap/neuter/spay. She does have the information on how to contact the folks, as stated in the last minutes. There is a woman near Butch's shed who feeds, takes the cats for neuter and spay at PAWS.
